## Community News

December was an eventful month for us. We hosted the Santa's Workshop event where the elves were busy making Christmas cards, ornaments, Santa beard, and decorating cookies. Santa even stopped by to take a few photos! We hope you all had as much fun as we did! The CEL Neighborhood Contest winner, Musket Meadows II, had their pizza party. We love having you as our resident, so to get us into the season of giving, we celebrated the 12 gifts of Christmas! Starting on 13 December, one lucky resident per day had the opportunity to select a gift from our gift card tree. Each gift card was worth \$25. We had our annual Christmas Light Decorating Contest where one winner was chosen from each neighborhood, and won a \$50 Gift Card. Hunt announced the launch of our new safety website. Residents had an opportunity to participate in a scavenger hunt where they'd be entered to win a PS4. We were happy to announce that one of the winners was from Hanscom. Congratulations, Douglas Gosney!

## Hunt Update

### Safety Zone

Hunt has launched a new website dedicated to keeping you and your family safe, healthy and accident free. With monthly tips and advice, we take you safely through the year, month by month. Please check it often – we'll be adding new content throughout the year.

**SAFETY ZONE!** 

Visit the Safety Zone Website at [www.huntsafetyzone.com](http://www.huntsafetyzone.com) for tips and information to keep you and your families safe and healthy. It's a great way to start off the New Year.

## Maintenance

### An Ounce of Prevention...

With the New Year, we are thankful for the blessings of families, roofs over our heads and stocked pantries. Let's talk about dangers that may be lurking inside pantries. There are 2 million cases of poisoning a year, half in children under 5. Every household has cleaning supplies, plants, medicines, pesticides and common chemicals.

Here are some helpful tips to keep your family safe from accidental poisoning:

- Follow all directions on the label
- Keep medicines and chemicals in their original containers
- NEVER share prescription drugs
- Keep all medicines and chemicals out of reach of children
- Dispose of expired medicines
- Never mix chemicals. Mixing can cause dangerous gases and fumes
- Have plenty of ventilation when using indoor chemicals

If you have an accidental poisoning, remain calm. If the victim is not conscious, call 911. If the victim is awake and alert, call 1-800-222-1222 (National Poison Control).

# JANUARY
