Community News

Last month was an eventful month for us. We co-sponsored the Pasta Night event in honor of the Month of the Military Child. We hosted a Hunt Eggs-travaganza Eggs- ploration which was a virtual egg hunt. Congratulations to our Hunt Eggs-pert, Ashley Ellis! We also had a some "bunny" loves you contest where residents were challenged to guess how many eggs were in the jar. Congratulations to our winner, Shirley Davis! Our new landscapers started the Spring Cleanup efforts in our community. On Earth Day, we had a fulfilling day cleaning up Hanscom's Shawsheen River. We're so glad some of you joined us in this effort. We look forward to seeing you at our annual Flower Day giveaway taking place on 21 May.

MIC3

Although it sounds like the title of a movie, MIC3 is the Military Interstate Children's Compact Commission. Signed by 47 states and the District of Columbia, this agreement addresses key educational transitions for military connected public school students, including placement, attendance, eligibility and graduation and removes some of the barriers military kids face when changing schools. Visit <http://mic3.net/pages/About/about.aspx> to learn more.

Visit:

GRILLING SAFETY TIPS

Nothing says winter is over more than that first grilled meal of the season!

Here are a few tips to keep you, your family and your home safe:

- Place grill outdoors, away from structures, fences, overhangs and tree limbs
- Do not leave grill unattended. Ensure grill and trays are free of grease
- Charcoal Champs-consider using a chimney starter. Never add charcoal fluid or any other flammable liquid to the fire. Ensure coals are completely cool before storing in a lidded, metal container
- Prefer Gas? Check hose for gas leaks after storing for the winter. Use a solution of dishwashing liquid and water and check for signs of bubbling. If you see signs of a leak, turn off the gas. If leak persists, clear the area and call the fire department. Ensure the grill lid is open before lighting.
- Keep kids and pets away from the grill. Enjoy the fruits of your labor!
- Speaking of fruit, grilled pineapple slices are delicious....

Military Spouse Day

Military Spouse Day was created to honor the spouses of those who serve, be it in the Army, Navy, Marines, Air Force, or Coast Guard. Each year, a day is set aside in the United States to recognize what a powerful difference spouses make in the lives of our service members.
