Community News

To begin the month, there will be a Super Bowl Photo Contest on Facebook. Submit your pictures by February 6 for a chance to win a prize. February 11 we will have Valentine's Crafts for Kids at the Community Center. Join us to make Valentines for your loved ones. Also in honor of Valentine's Day, we will have a special giveaway to Capital Grille. Every resident is encouraged to submit their love story to the leasing office; the winner will win a night out on us.

Resident Referral Program:

For the month of February: we are now paying **\$200** to any resident that refers a new prospect to Hanscom Family Housing. Have your friend mention your name on their housing application. We have availability now for Active Duty, National Guard/Reserve, Federal Civil Service Employees, Retired Military Members, Retired Federal Civil Service Employees, and DoD Contractors.

Hunt Update Baby, It's Cold Outside

Feeling a little house-bound? Some suggestions to ward off winter boredom:

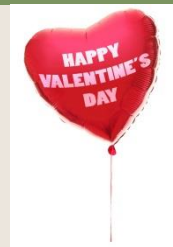

Indoor picnic with all the basics – hot dogs, hamburgers, potato salad, popsicles

Work on a big jigsaw puzzle. Even little ones can turn the pieces right side up!

Have themed movie nights

Set up an indoor fitness course – jumping jacks by the fridge, crunches with feet under the couch

Have a read-a-thon. Keep a list of books each family member has read. Have kids report on their favorite character and favorite part of each book

This month is a great time for Random Acts of Kindness – dig out a neighbor's car, buy coffee for the person in line behind you. Send your mom a Valentine!

Maintenance Free Winter Warmers

Let the sunshine in – open curtains or blinds and let the sun warm your room (be sure to close them at sundown to help insulate the room) Move furniture so you're sitting by warmer interior walls

Turn off lights. Unplug the spare fridge in the garage if you don't really need it, saving 10% of your electric bill. Shorten showers – showers account for 2/3 of your water heating costs. Reducing each shower by several minutes saves hundreds of gallons of hot water per month

Use appliances efficiently. Run only full washer loads, using cold water when you can. Be sure to keep the dryer lint trap clean for maximum efficiency. Skip the heated dry cycle on the dishwasher and air dry instead

Unplug what you can. TVs, cable boxes, chargers, peripherals all use electricity even when they're off. Unplug those not used daily or essential to life, like the timer on the coffee maker!
