### Please Note!

The phone number for renters' insurance claims has changed. Please visit our property website for the updated brochure. All coverages and other information remain the same. As always, Hunt recommends that you consider purchasing an additional renters' insurance policy to fully cover personal property and liability.

## Community News

Back to school can be difficult – it's hard to get back into a routine. Let us help! Wednesday 16 September, we'll help you get through that mid-week slump with Breakfast on the Go at the Community Center intersection. We will be handing out bags to help you start your day with a quick breakfast.

Congratulations to our July Yard of the Month Winners!

## Hunt Update

### ARE YOU READY FOR THE SURVEY?

We're ramping up to survey season in early October. Surveys will be delivered and completed electronically, so please be sure we have a valid, non-military email address. (The military servers frequently filter the survey attachment, so the best way to receive it is via a non-military email address.) Each household will receive a single survey, so consider which email address you'd like to receive it and let the office know. We value your input to help us focus our efforts on your areas of concern and to enhance processes and activities you enjoy.

YOU COULD WIN SIX MONTHS FREE RENT SIMPLY BY FILLING OUT THE ANNUAL SATISFACTION SURVEY!

## Maintenance Back to School Safety

Are you in a "back to school" state of mind? Even if you don't have kids in school, be extra cautious of back to school traffic. Kids are not small adults and are less cautious and more impulsive, so give them plenty of room and proceed slowly around walkers and bike riders. Be aware of kids who may dart across the street to catch the school bus or those crossing streets without paying attention to traffic. Exercise caution around school buses. Stop when the lights are flashing and proceed slowly when it is safe to do so. Watch for stragglers.

Ensure your child takes the same safe route to school every day and that you know who travels with him/her. Remind them to pay attention to crossing guards and other adults directing traffic flow. Walk with them occasionally. There's nothing like the possibility of a "check ride" to keep everyone paying attention!

# SEPTEMBER
