We would like to thank everyone that attended our Ice Cream Social. It turned out to be a great day to have ice cream. We offered numerous ice cream flavors and toppings from Bedford Farms. At our event we had a "How many in the Jar" contest and 60 people entered. The winner received the jar of M&M's which included a \$50 AAFES gift card. The three runners up received a \$10 gift card to Bedford Farms, generously donated by Bedford Farms. We ended up having a tie for first place so both parties came back into our office to make another guess and the person that was closest won. The actual number of peanut M&M's in the jar was 275. The winner was only off by 3! Great job!
