## Community Events and Winter Tips

Winter is here! For those who are experiencing their first white winter, welcome to New England! Here are some winter tips to get you through the snowy season:

- Keep garages CLOSED to help with freezing temperatures affecting water lines
- Remove garden hoses from outside hose bibs
- Keep your pathway clear of snow, even if you are only using your backdoor or garage. It is a safety issue if access is needed in an emergency. Additionally, mail will not be delivered to your home if there is not a clear and safe path.
- Ice melt is great, but only works correctly if you have properly and thoroughly shoveled. It will not melt the snow, just assist with ice.

Escape the snow at our Chili Cook-Off in the Community Center on Thursday 21 December.

## Hunt Update 2016

Another year begins – it's not possible to know what 2016 has in store, but if you have resolutions in mind, make small changes, determine reachable goals and seek assistance where needed. You probably won't lose 30 pounds in January, but you could walk three times a week, cook more healthy meals at home, reduce your sugar intake and ask the folks at the fitness center for some exercise ideas.

## Maintenance 2016

Once the holiday clutter is cleared away, are you determined to do a bit of organizing? Here are a few suggestions:

Embrace the lowly clothespin – in addition to clipping chip bags, use to secure charger cords (use a marker to write what the cord is for on the clothespin). Wind embroidery floss around a clothespin – you can add the color code on the clothespin or simply corral your kid's friendship bracelet production mess.

Use narrow baskets to store snack items in cupboards. Kids can see what's available and you won't waste space with a giant granola bar box holding a single snack.

Store hair ties on a carabiner clip labeled with the owner's name.

Install a tension rod under the sink and hang spray bottles from their handles.

Use a hanging shoe shelf in the front closet to hold gloves, hats, pet leashes and flashlights.
