HANSCOM INSIGHTS NEWS & STORIES

HAPPY HALLOWEEN!

Our CEO's Message

As we welcome fall we look forward to cooler weather, children settled into school and football. It is also a time when Hunt Military Communities launches their annual Hunt Helping Hands initiative. This year we have once again organized a food drive in support of our military families and food insecurity. Data we have received indicates many military families face this challenge and could use additional support. Details about your communities food drive will be emailed, posted on social media, and cards left at each door. We are partnering with various groups on base who may have resources for distribution and we are also working with a local food bank closest to your community. Our goal is to make sure our families are taken care of and those in need receive the resources they need. Additionally, Hunt Military Communities is excited to collaborate with Hire Heroes USA to assist military service members and their spouses find meaningful careers upon completion of their military service. Our donation will fund career transition services for veterans, military spouses, and transitioning service members. We will also collaborate with them to source more military veteran and spouse talent for our teams. More to come on this fantastic opportunity to assist those needing career advisement and services. Thank you for allowing us to serve you.

Thank You For Attending

We were excited to see the smiles on our residents faces as we were out bright and early passing out our breakfast on the go bags. We passed out 300 bags! We hope that we helped kick off your day right and put a smile on your faces!

5 Fall Safety Tips

1. Watch out for back to school traffic. Plan more time to get to your destinations during school arrival and dismissal times..
2. Falling leaves can be a slip risk when wet. Be sure to clear them from your walk ways and drive way.
3. Layer up! Fall is a finicky season in New England. Plan for it. Wear layers so you will be ready to head to work in a fleece and head home in shorts.
4. Plan for the nights to get darker. Wear reflective clothing when traveling at night.
5. Be careful when trick or treating with your kids. Make sure to bring flashlights or glowsticks. Have a meeting spot and know your phone numbers if you get separated.
