COMMUNITY ANNOUNCEMENTS

Snow season is upon us. The safety of our residents is our priority. We promise to keep everyone updated on our snow plowing schedule via social media. Also, if you log into the resident portal, you can set preferences to receive text message notifications regarding the snowplow schedule. When notifications are sent out, we ask all vehicles to be moved from the streets to the overflow parking areas. You may also notice some orange guides placed on the walkways throughout the neighborhoods. We ask that the guides be left in the areas where they have been distributed. These guides are used for the snowplows on heavy snow days. It ensures the plows stay on their designated paths. Extreme cold temperatures are also common in New England. We know many residents are not used to the extreme weather changes. Notifications will be sent out for extreme weather days. Please set your faucets to drip on these days. We hope everyone has a happy and safe winter!

MAINTENANCE CORNER

While we have had a spurt of warmer days – please remain vigilant about the winter weather tips we have distributed to prevent frozen pipes, to protect your home, and to protect you and your neighbors on the roadways. Please do not forget to clean off your vehicle headlights, taillights, and roof of snow and ice. The windshield is important, because it's Massachusetts State law for the car to be clear, and it's the only safe way!

GOOD NEWS STORIES

Cookies & Cocoa

The holidays flew by last year. We wanted to take a moment with our residents to celebrate the New Year. We had a hot chocolate and cookie bar set up at the Leasing Office for our residents. It was the perfect warm treat to have on the first snowy day of the year. Thank you to everyone who came by; we can't wait to do our next event!
