## Flower Day Give Away

## Community Events

The most anticipated event of the year will be here soon; Flower Day Giveaway! Get in line early at the Community Center, because the line will be wrapped around the corner down Ent Road before you know it. Every household is invited to pick up their free flowers! Flowers are limited per house hold. First come, first served. We can't wait to see all of the beautiful yards for Yard of the Month coming in June, July and August. A mulch drop will be announced at a later date.

April was a busy month in the Hanscom Community. We joined the Base at the Retiree Appreciation Day, Base River Clean Up, Meet & Greet, and sponsored the Health and Wellness Expo.

## Hunt Update

### Military Spouse Appreciation Day

A holiday since 1984, the Friday before Mothers' Day is Military Spouse Appreciation Day. While this may get overshadowed by Mothers' Day, consider doing a little something special for those military spouses alone on this day – a call, a card, an invite to happy hour in the driveway while the kids ride bikes. Encourage kids whose military parent is away to do something – make a card, make a book to read to the parent at home, plant a flower in a decorated pot, make anything with a kid's handprint on it.

Lots to Celebrate in May!  
Mothers' Day, Armed Forces Day, Graduations, Memorial Day. Enjoy time with your family and friends and the unofficial kick off to summer!

## Maintenance

Summer's just around the corner! Here are a few maintenance and safety reminders:

Give your air conditioner a test run to ensure it's operating properly. Don't wait until the first scorching day! Please initiate a maintenance request if needed.

Let Mother Nature cool your home – open windows on cool mornings and evenings, close windows and shades during the heat of the day.

Summer means more outdoor activities – be on the lookout for runners, bike riders and children playing. Don't forget sunscreen and bike helmets! Watch children around water. It only takes a few seconds of inattention and a few inches of water for tragedy to happen.

Ensure grills are attended by an adult when in use. Keep grills away from homes, fences, other structures, overhangs and trees. Have a hose or fire extinguisher within reach
