Community News

January we enjoyed having cupcakes in the Leasing Office to celebrate having the best residents! In honor of Valentine's Day, we will have a special giveaway to Capital Grille. Every resident is encouraged to submit their love story to the leasing office; the winner will win a night out on us.

Maintenance Update: There is no longer access to the maintenance office through the side door. Please come to the front office and we will be happy to assist you with your work orders.

Hunt Update

Valentine's Day

Valentine's Day can be so much more than candy and flowers. How about taking care of your heart? Find a workout buddy and work out together. Insert a few more good-for-you meals into your rotation. Taper off holiday sweets by making every other day treat-free. Try an unfamiliar fruit or vegetable.

Take a walk. Short distances add up, and even one with many stops for dogs or kids is better than nothing. Bundle up and get outside on cold, sunny days – you'll feel better!

What better gift than being healthy and happy for those you love?

Valentine's Day can be a bright spot in a dreary month. What acts of kindness or gratitude will you perform?

Maintenance

February seems so long for a short month...

Let's talk about winter driving. Whether that means rain or snow in your area,...

- Slow down and leave plenty of room between you and the car in front of you
- Stopping distances increase – slow down for intersections, turns and other traffic early
- If you skid or hydroplane, look and steer in the direction you want to go. Avoid sudden braking.
- Accelerate and decelerate slowly
- Avoid using cruise control on wet or slippery surfaces
- Ensure tires are properly inflated
- Carry an emergency kit
- Always wear a seat belt
- If conditions warrant, stay home
