HANSCOM INSIGHTS NEWS & STORIES

Our President's Message

Hunt Heroes Foundation (HHF), the non-profit organization founded by Hunt Military Communities ("HMC"), recently awarded \$30,000 of scholarship grants to 12 military family members. Winners will receive grant awards that will be directly given to their college of choice, ranging from \$1,000 to \$5,000 to help alleviate the burden of continuing education costs. The winners of this year's scholarships are:

Bella Baker, Del City, OK

- Child of Army service member
- Attending Oklahoma State University with a major in Industrial Engineering

Jessica Boldenow, Barksdale AFB, LA

- Child of Air Force service member
- Attending Hardin Simmons University with a major in Exercise Science and a minor in Psychology

Ashley Facio, Linden, NC

- Army veteran; spouse of Army service member
- Attending Paul Mitchell School with a major in Cosmetology

Jailyn Figueroa, Scott AFB, IL

- Child of Air Force service member
- Attending Penn State University, Harrisburg with a dual major in Political Science and English

Colin Hebner, Brussels, Belgium

- Child of Air Force service member
- Attending Texas A&M University with a major in Marine Ecosystem Science

Ava Heinen, Greenville, SC

- Child of Navy service member
- Attending High Point University with a major in Biochemistry and a minor in Communications

Madison Kirk, Tampa, FL

- Child of Army service member
- Attending Campbell University with a major in Early Childhood Education

Reagan Krumboltz, Beardstown, IL

- Child of Army service member
- Attending the University of Iowa with a major in Microbiology

Hayley Labonte, Aiea, HI

- Child of Navy service member
- Attending the University of Southern California with a major in Human Biology

Morgan Roundy, Oak Harbor, WA

- Child of Navy service member
- Attending Brigham Young University with a major in Exercise Science

Katelyn Shibilski, Randolph AFB, TX

- Child of Air Force service member
- Attending Florida Southern College with a major in Psychology and a minor in Neuroscience

Keri Spitler, Jamestown, RI

- Child of Coast Guard service member
- Attending the University of Colorado, Boulder with a major in Biomedical Engineering

Scholarship recipients were selected based on their commitment to community involvement, demonstrated leadership, participation in school and community activities, and work experience. Candidates did not have to be a resident of HMC in order to apply for a scholarship. Congratulations to all of our scholarship winners!

The Hunt Heroes Foundation plans to offer this scholarship on an annual basis. For more information, visit www.huntheroesfoundation.org or www.scholarshipamerica.org

Happy Independence Day!

Talent Show In July!

Do you or your family have a special talent?! Join us in a virtual talent show. Submit your video to mike.falewicz@huntcompanies.com from July 13th - 24th, 2020. All videos will be posted to Facebook to view and vote! Have a funny family TikTok dance video, a talented singer in the family, or a hidden talent? There is no limit to the type of submissions. Here is a list of suggested ideas, but you are not limited to these: <https://blog.classtag.com/50-virtual-talent-show-ideas/> The grand prize winner will win a make your own ice cream sundae bar, with all of the fixings!

June Recap

The annual Yard of the Month contest started up again in June. Residents were able to submit photos of their yards, and all submissions were posted to Facebook for a winner determined by the most "likes." The yards looked beautiful with flowers planted from this year's Flower Day Giveaway and mulch drop.

Save the Date

In August we will host our annual Chalk It Up contest. Check out last year's photos for some inspiration. fb.com/media/set/?set=a.2602877453070459

Maintenance Tips

Tips to help keep your AC working at optimal conditions this summer:

1. Make sure thermostat is set to cool.
2. Set fan to auto.
3. AC is affected by the outside temperature. Putting the AC temp too low, especially at night when it cools, can freeze your evaporator (recommended temperature is 68 degrees). Remember, the hotter it is outside, the harder your HVAC system is working to keep up.
4. When you see ice on the lines that go up to your condenser, you can turn off the breaker to the HVAC system to kick start the trouble shooting and thawing process and call us at 781-861-1471.

Always give our maintenance line a call for any HVAC concerns at 781-861-1471. Please do not place them through the resident app or the leasing line, as these are not monitored on weekends or after business hours.

Water Quality

The annual water quality report is available here: <https://www.hanscomfamilyhousing.com/document/report-on-water-quality>

Landscaping Schedule

Hanscom Family Housing's schedule for landscaping is available here: www.hanscomfamilyhousing.com/document/landscaping-schedule. Please make sure your yard is clear of toys, debris, and pet waste on your scheduled today or it will be skipped and not returned to until the following week. In the event of rain, the schedule will be pushed back by one day.

RENTCafé

Did you know you can place routine work orders right in the RENTCafé app, and be able to track them until completion? If you have not set up an account yet, please give our office a call at 781-861-5062 option 1 so we can assist you. For all urgent and emergency work orders, we ask that you please call the maintenance line at 781-861-1471. Please note, this is a different number than our leasing office. While it is the same team that answers the phone and is here to assist you, by calling the maintenance line, you ensure that you will get our 24-hour call center if we do not answer, such as holidays, weekends, and outside of business hours. Our leasing line voicemail is only monitored during business hours, and we want to make sure you always have access to us in the event of an emergency. For more information and directions to download the RENTCafé app or online login please click here:
