HANSCOM INSIGHTS **NEWS & STORIES**

HAPPY MOTHER'S DAY

Our President's Message

As we welcome warmer days and longer nights, we also look to a future of doors opening back up and life returning to a new normal. I want to personally thank you for your patience this past year as we all navigated the safest way to

serve our residents, employees, and our partners. It was not easy to manage an unexpected pandemic, but we did so, always keeping our residents' best interests and safety first and foremost. Over the course of the next month, we hope to begin opening up our amenities (as appropriate and approved by local guidelines) and see a full return of staff to our offices. Our teams look forward to seeing you and helping you in any way we can. And as a reminder, one of the best ways to help minimize the spread of COVID-19 is to get vaccinated. If you are having difficulties finding a location where you can receive your vaccination, please check out vaccinefinder.org

Best,

Landscaping is Back!

After a winter that seemed like forever, it is nice to see all of the spring colors. Our landscapers will be out sprucing up the base with mowing and pruning. Please make sure your lawns are free of pet waste and obstacles.

The Easter Bunny's Special Visit

Did you see the Easter Bunny make a special after-Easter visit on base? He went through all the neighborhoods just to say "Hi" to everyone that was outside to greet him. Thank you to all who were there to wave during his special visit.

Operation Mulch Drop

Operation Mulch Drop will be coming to a neighborhood near you! Here in Housing, we have received a lot of calls about mulch and grass seed and flowers. Keep an eye on the Hunt Resident App for details on when in May this will be happening.
