HANSCOM INSIGHTS NEWS & STORIES

HAPPY LABOR DAY

Our CEO's Message

As PCS season begins to wind down, I am reminded of the feelings that go along with moving to a new duty station, adjusting to new neighbors, taking on a new role, and trying to find a sense of connection and community. The unique challenges and sacrifices of military families inspires us to continually improve our service delivery at Hunt Military Communities.

During September we will have several community-wide focuses. The first is Suicide Prevention Month. This month we will be hosting several speakers and sharing important educational materials on this most important topic. On average, 22 active or retired service members take their own lives each day, and unfortunately I know this pain too well having lost several of my Marines to suicide. We can help those in need by learning the warning signs and the appropriate resources available to help service members in need. Please look at the schedule of events you can attend and help us make mental health a priority for our military families.

The other notable event is the anniversary of 9/11. In memory of those who lost their lives and those whose lives are forever changed, we will be hosting Never Forget Walks in each of our communities. Additionally, we will have an opportunity for children to write a 100-word essay on "What It Means To Be A Patriot," to help them grasp the selfless commitment of their family service member. More information to follow on both of these important events. We look forward to your participation.

Thank you for allowing us the opportunity to serve you.

Going Paperless

We are paperless with the Hunt Resident Portal! If you haven't downloaded the Hunt Resident App yet, it allows you to enter and track work orders, see postings about the happenings in the community, and also allows you to make payments on your account - all in one place! Having trouble? Give the Leasing Office a call at 781-861-5062. We're happy to help.

September 11th is National Patriot Day!

Fall Safety Tips

As we swing into fall, and the leaves begin to change and the weather slips into cooler temperatures, please remember these safety tips:

- Wash hands or hand sanitize before and after playing on playgrounds to prevent the spread of germs and to remain compliant with COVID-19 safety recommendations.
- Stay home if you are not feeling well, regardless of the symptoms. It's better for you and for the community.
- Remain vigilant on roadways, and parking lots as school track and student walkers are increasing.
- Obey speed limits in the neighborhoods! Posted speed limits are not a recommendation, they are a law.
- Come to a complete stop at stop signs before proceeding.
- Cell phone usage, unless truly hands free, is still unsafe and against the law, even if it's in your lap! Keep your eyes and attention up!

Backpack Brigade

We were thrilled to be able to deliver 65 backpacks to youth in Hanscom Family Housing. The backpacks were various colors. It brings us such joy to give to our young residents who bring so much to our Hanscom Family Housing Community. Have great first days of school, regardless of whether you are continuing with remote learning, or going into the classroom! Learn, laugh, and stay Hanscom strong!

Chalk It Up

Thank you to all of our younger residents who "chalked it up" on our side walks painting the base with a little more color. We enjoyed delivering popsicles as our very talented families bellow were some of our awesome entries.
